Please give the name of the Member(s) you believe have breached the Code of Conduct and the name of their council.

Title First name Council name

Member of the public

Chairman of Council Mark Johnson Martham
Parish Council

Please explain what the Member has done that you believe breaches the Code of Conduct.

Mr Johnson was co opted onto the Martham Parish Council in December 2013 and signed his Declaration of Interests on joining the Council.In November 2013 he formed a company called Watea and is the sole director. He failed to declare this interest on joining the Council, surely he could not forget his company as it was only a month old. This company was only recently added to his Declaration probably June 2015. At the same time he declared his new company Broadland Training Solutions which he formed in April 2015. I think 18 months is rather a long time before declaring his interests and only happened I think on hearing of the complaint regarding my complaint about another Martham Councillor. I consider this a breach of the Code of Conduct over a long period of time.

If you are complaining about more than one Member you should clearly explain what each individual person has done.

You should provide all information you wish to have taken into account by the standards committee. For example:
Be specific wherever possible about what exactly you are alleging the Member said or did
Provide the dates of the alleged incident(s) where possible, if not please provide a general timeframe
Confirm whether there are any witnesses to the alleged conduct and provide their names and contact details if possible
You should provide any relevant background information

Do you want to request that your identity is kept confidential?

You do not need to complete the information below, please move to the next page

In the interests of fairness and natural justice, we believe Members who are complained about have a right to know who has made the complaint. We also believe they have a right to be provided with a summary of the complaint.

Requests for confidentiality or requests of suppression of complaint details will not automatically be granted. The assessment sub-committee will consider the request alongside the substance of your complaint. We will contact you with the decision. If your request for confidentiality is not granted we will usually allow you the option of withdrawing your complaint.

It is important to understand that in certain exceptional circumstances where the matter complained about is very serious, we can proceed with an investigation or other action and disclose your name even if you have expressly asked us not to.

Please provide details of why you believe we should withhold you name and/or the details of your complaint.

Please tick

I confirm that the information given is complete and accurate to the best of my knowledge.

I understand that the information provided on this application will be used for the purpose(s) for which it has been supplied and where appropriate, will also be used by the Borough Council in carrying out its various functions effectively. Information will not be shared with other organisations unless we are required to do so by law. However we will always use or share information for the prevention or detection of crime or the apprehension or prosecution of offenders.

I understand that giving false information may result in prosecution.
