Report to:	LICENSING COMMITTEE
Date of Meeting:	4 September 2017
Report by:	Licensing and Elections Manager
<p>Title: Application for a new Sex Shop Licence – FRaNKS, Unit 10 Escourt Road, Great Yarmouth</p> <p>Summary: This report relates to the premises known as FRaNKs, situated at Unit 10 Escourt Road, Great Yarmouth. The applicant, Graham Kendrick, wishes to apply for a new sex shop licence in respect of the premises.</p>	

1. Background

The council is required to licence Sex Establishments. There are three types of sex establishment covered in the Local Government (Miscellaneous Provisions) Act 1982 which are:

- A sexual entertainment venue
- A sex cinema
- A sex shop

A sex shop is defined as ‘any premises used for a business which consists to a significant degree of selling, hiring, exchanging, lending, displaying or demonstrating (a) sex articles or (b) other items intended for use in connection with or for the purpose of stimulating or encouraging (i) sexual activity; or (ii) acts of force or restraint which are associated with sexual activity

The Act prohibits a person from operating a sex establishment other than in accordance with the terms of a licence granted by the licensing authority. Where a licence is issued it is subject to the terms, conditions and restrictions as specified in the licence. Licences are usually granted for one year and are subject to renewal. At the discretion of the licensing authority a licence may be granted for a period of less than one year. A licence once granted may be transferred on application.

The act sets out the grounds for refusing an application for the grant, renewal of transfer of a licence.

A licence must not be granted:

- to a person under the age of 18
- to a person who is for the time being disqualified due to the person having had a previous licence revoked in the area of the appropriate authority within the last 12 months
- to a person, other than a body corporate, who is not resident in an EEA State or was not so resident throughout the period of six months immediately preceding the date when the application was made; or
- to a body corporate which is not incorporated in an EEA State; or
- to a person who has, within a period of 12 months immediately preceding the date when the application was made, been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal.

A licence may be refused where:

- The applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reason;
- If the licence were granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a licence if he made the application himself;
- the number of sex establishments, or of sex establishments of a particular kind, in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality, this may be nil;
- the grant or renewal of the licence would be inappropriate having regard to:
 - ◆ The character of the relevant locality; or
 - ◆ The use to which any premises in the vicinity are put; or
 - ◆ The layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made

A decision to refuse a licence must be relevant to one or more of the above grounds

When determining a licence application, the local authority must have regard to any rights the applicant may have under Article 10 (right to freedom of expression) and Article 1, Protocol 1 (protection of property) of the European Convention on Human Rights

2. The Application

- 2.1 An application has been made by Graham Kendrick in respect of a new sex shop licence. The premise is situated at Unit 10 Estcourt Road, Great Yarmouth which is an area made up of both businesses and residential properties.
- 2.2 The applicant has proposed the following times during which it is proposed to open for business:
 - i) Days of the week – Any day of the week but mainly Fridays and/or Saturdays
 - ii) Hours of the day – 8pm until 2am
- 2.3 Following the required 28 day period, a total of six representations were received.
- 2.4 A copy of the application together with a map showing the location of the premises is attached.

2. Representations

- 2.1 A total of six representations were received objecting to the application. The representations are from local councillors, local residents and a representative of a housing association who detail concerns primarily in relation to the locality of the premises and the close proximity to residential units. (The summary of concerns is in Appendix 1)
- 2.2 No objections were received from the police

3. Options available to the Committee

- 3.1 Grant the application subject to the standard conditions (attached appendix 2).
- 3.2 Grant the application subject to any additional conditions in accordance with legislation.
- 3.3 Reject the application.

4. Recommendations

It is recommended that the Committee determines the application for a new sex shop licence in accordance with one of the options set out in paragraph 3 above.

Summary of complaints – Unit 10 Escourt Road, Great Yarmouth

Complainant	Representation	Officer comments (if any)
Local Councillor	<p>Concerns regarding premises adjacent to a residential area with many school children fascinated by its existence. Also the area has little or no traffic at night to disturb residents of the adjacent houses. Problems may occur with car doors closing and people talking into the early hours of the morning. The area is used for commercial during the hours of daylight so not used for late activities.</p>	
Officer from Housing Association	<p>Unsuitable request because building is opposite and overlooks the residential housing scheme at Astley Cooper Place, which house families with young children that will play outside in plain view of this building, resulting in privacy concerns for the parents and other residents in the area. The application states that the business will be held on the first floor of the premises – this is in clear vision of the properties of Astley Cooper Place.</p> <p>The supported housing properties house vulnerable residents with different circumstances, most common being long-term mental health issues. A building placed opposite with this type of business will cause a great deal of concern to residents and the care providers in Astley Cooper Place.</p> <p>With the proposed opening hours of 8pm – 2am this also brings cause for concern to the residents as possible nuisance in the evening is likely to occur and bring negative attention to the area as well as possible safeguarding issues to the more vulnerable customers.</p> <p>Also concerns over issue of parking – lack of parking along Estcourt Road raises concern that the customers will park in the private land owned by Cotman Housing Association. In turn leading to previous point regarding possible noise nuisance at 2am from talking customers, slamming of car doors, engines being started as well as other possible noise nuisance when customers finish and approach their vehicles parked on private land.</p>	
Local Councillor	<p>1. Parking – Issue because of double yellow lines along Escourt Road on the North Side, garages that run on the south side. There are problems with illegal parking around the entrance of Astley Cooper place already.</p> <p>2. Noise – With opening times proposed 8pm-2am there will be noise problems with people coming and going late at night and early hours of the morning. There are private dwellings opposite with children. The noise will be created by people talking, car doors slamming and engines starting and revving. There is sheltered housing at the top of Estcourt Road on the junction of North Denes, only about 30 yards away. Create problems for residents with increased noise and traffic in the late evenings and early hours of the morning</p>	

	<p>3. Privacy – The view from the private dwellings opposite. ie back garden and the children’s bedroom is in line with the first floor of the property in question. The plan show most of the activities will be on the first floor. (photo provided)</p>	
Local resident	<p>Reason for objections:</p> <ol style="list-style-type: none"> 1. Parking – Astley Cooper Place is owned by Cotman Housing Association and therefore is a private road, public parking is not permitted. Half of Estcourt Road has double yellow lines and the half that doesn’t is mainly taken up by cars visiting the garages and workshops 2. Privacy – the houses at numbers 1 to 5 Astley Cooper Place directly back onto the premises at Unit 10 Estcourt Road, all have a direct view to the top floor at Unit 10 which means anyone inside the building can see directly into the gardens, living rooms and back bedrooms. All have small and pre-school children so the prospect of having a sex establishment with a direct view into homes and gardens is a complete invasion of privacy and completely inappropriate on all levels. 3. Noise – the establishment wishes to open until 2am which is totally unacceptable being as a residential area especially as houses are so close to the building. There is enough noise generated from the car workshops on Estcourt Road without this. 4. Pollution – no doubt there will be an increase in litter, who knows what will be found in the street, amongst dog mess and car parts that are already there on a regular basis 5. The area – Astley Cooper Place has 20+ flats with Cotman Housing Association that house vulnerable people with mental health issues, opening a sex club next to them is hardly appropriate. Estcourt Road also backs onto a grave yard. 6. There is already at least one other sex establishment in Great Yarmouth, so how many exactly do we need? Is this the kind of holiday resort we want to advertise? 7. As the person who has applied for the license lives in Norwich, why can’t he open it there? Does he think Great Yarmouth is a push over who will allow anything? 	
Resident of the borough	<p>The Victorian premises directly overlooks five Cotman Housing Association properties and gardens where about a dozen children live and play. This alone should warrant the licence to be refused.</p> <p>Cotman Housing Association are also very concerned about the vulnerable residents (mainly long term mental health issues) living in the supported housing properties at Astley Cooper Place.</p> <p>Also consider the following points:</p> <ul style="list-style-type: none"> • Attracting undesirable characters (and the curious) to the area – risky near young children • Associated noise – cars/music/parking issues • Anti-social hours • Planning application to convert former Hurrells Motor 	

	garage to 6 houses (having a sex establishment next door is not very desirable) <ul style="list-style-type: none"> • Backs onto historic minister churchyard 	
Local resident	We strongly object to this going ahead as we find a sex establishment inappropriate where young children reside, we also have concerns with parking as we already have limited space for this with a new garage that has recently opened taking up majority of space and the proposed new houses at the other side of Franks building.
