16 **MOTION ON NOTICE**

Council are asked to consider the following Motion on Notice from Councillors Smith-Clare, Wainwright, Cordiner-Achenbach, Waters-Bunn, Robinson-Payne, Jeal

Council recognises that recycling is good for the environment and saves public money being spent on sending waste to landfill.

Fly tipping is a crime.

Recycling rates in GY are too low and every effort should be made to encourage recycling and discourage flytipping.

The cost of clearing flytipping falls to the borough council tax payers or landowners when rubbish is tipped in private land.

Council welcomes county council investment with all party support in upgrading recycling and reuse centres. Proposals to reduce the hours of recycling centres goes against the need to encourage recycling, sends out the wrong message about the importance of the environment and could lead to increased flytipping.

Motion on Notice:

That this council resolves to write to Norfolk County Council to reconsider their proposals to reduce the hours at recycling and reuse centres, as this goes against the need to encourage recycling; sends out the wrong message about the importance of the environment, and could lead to increased fly tipping.

17 ANY OTHER BUSINESS

To consider any other business as may be determined by the Chairman of the meeting as being of sufficient urgency to warrant consideration.

18 EXCLUSION OF PUBLIC

In the event of the Committee wishing to exclude the public from the meeting, the following resolution will be moved:-
