

Forward Plan

The Forward Plan sets out the decisions that the Cabinet will be taking over the coming months. The Plan highlights the decisions that Cabinet intend to take, which may result in part of the meeting being held in private, and identifies which decisions are key.

This document will be updated and republished on the Council's website each month. Any queries relating to the Forward Plan should be forwarded to Democratic Services, Town Hall, Hall Plain, Great Yarmouth, NR30 2QF or via email to memberservices@great-yarmouth.gov.uk

Agendas and any associated documents will be available for viewing on the Council's website, five clear days before the meeting, subject to any prohibition or restriction on their disclosure. Alternatively, please contact Democratic Services to request the documents. If you wish to make representations to the Cabinet about an agenda item, please contact the Democratic Services Team prior to the meeting to make your request.

Please note that the decision dates are indicative and occasionally subject to change.

What is a Key Decision?

A Key Decision is defined as a decision that is likely to:

- a) result in the Council incurring expenditure or making savings of £250k or more (calculated on a whole life basis); or
- b) be significant in terms of its effects on communities living or working in an area comprising two or more wards in the Borough.

Why might a decision be made in private?

The public may be excluded from a meeting whenever it is likely that in view of the nature of the business to be transacted, exempt information will be disclosed, for example, information which may reveal the identity of an individual or relates to the financial or business affairs of an individual or organisation. Information should only be made exempt, if it is in the public interest to do so.

Whilst the majority of the Cabinet's business at the meetings listed in this document will be open to the public, there may be occasions when the business to be considered contains confidential, commercially sensitive or personal information. The items of business where this is likely to apply are indicated on the plan.
