I refer to the above application by The Florida Club at Hemsby and would advise that I object to the

1. Recorded music (inside): 08.00 to 02.00 each day - because although the music is inside it is still the volume of noise. However, I have no objection to it finishing at 23.00 each day.
2. Late night refreshment: 23.00 to 02.00 each day. - Why? I currently have to wait until the enter anyway on the Seadell site. There is no need to stay open serving alcohol until 02.00 as this will on early hours of the morning.
3. Sale of alcohol (on and off the premises): 11.00 to 02.00 (Mon to Sat), 11.00 to 00.00 (Sun) Aga that they can obtain alcohol up until 02.00. Who will control the noise level? who will stop people people from shouting and singing as they walk home. I have no objection to the sale of alcohol finis

Please note that noise travels more at night time. I always hear the entertainment from The Florida until it ends before I can go to bed to sleep. Extended licensing is NOT NEEDED by The Florida Club. whether inside or out, should all end at 23.00 each day as a matter of courtesy and decorum to oth could increase the risk of public crime, public disorder, public nuisance and public safety.

I trust my objection to the above will be noted and I await hearing from you further in due course.

With Kind Regards

Yours faithfully,

Mrs J Cogdell

Objection to licensing application for Florida Club Ltd, Back Lane, Hemsby.

I would like to object to the application to extend licensing to 02.00 am on the grounds of ;

Hemsby is a holiday destination for families predominantly those with young children. It is not acceptable for sleep disturbance after the usual cut off of 10.30pm.

I feel granting this application would infringe on the enjoyment of holiday makers.

This objection includes The Sale of refreshments until 02.00am, Music until 02.00am and Off Sales until 02.00am.

Granting this application would affect other holiday parks, not just Florida, with people moving between parks to their accommodation, thus the disturbance goes beyond 02.00am.

I own a chalet on Seadell Holidsy Park, immediately adjacent to Florida Club, I feel it would spoil the enjoyment of my holiday home and prevent me from renting to families and elderly people, who wish to enjoy peaceful evenings and I disturbed rest.

Belle Aire clubhouse is already a problem, with loud music and partying outside and their cut off is 11.30.

The Dunes development on the other side of Back Market lane has permission for residential homes, there are residential property's on beach road and Newport Rd.

The clubs hours should not be extended beyond normal residential pub hours and the disturbance to neighbours regulations should apply. In this instance, all surrounding properties residential and holiday have enjoyed a quiet area, I would not have purchased a holiday property next door to a club with a license until 02.00am, in fact I believe Florida Club has been closed for some years.

The Florida Club, Hemsby.

I would like to object to the application for a music, refreshment and off sales licence closing at 2am.

I believe a licence for anything later than 11pm would be detrimental to both holidaymakers and residents.

I would like to see transparency in this matter as I believe the applicant has connections to Councillor James Bensley.

Please may I submit my objection to the late licence for Florida Park club
My reasons being when the club had a late licence before my holiday chalet customers were unable to sleep with the windows open because of the loud music noise making the hot stuffy nights unbearable

On top of this the drunken ppl cutting through Seadell site we had beer bottles glasses and cans thrown in a trail from the club the noise of children and youths running around screaming and shouting in the early hours when they should be in bed leaving the club

On our site there is a noise clause in our leases saying no noise after 10.30pm

I am not against the club being opened just the very late licence which seems to appeal to the applicants pals

I do hope you do take great consideration to the negative outcomes of this application as I don't see why one business should be allowed to make everybody's holidays miserable and unbearable
It's already hard getting bookings after the press saying the beach will be shut for 20 yrs

Many thanks for your time in considering my objections

I wish to register my objection to the Application for the premises licence at

The Florida Club

Back Market Lane

Hemsby

1. This is a very old building with little sound proofing and any music played within reverberates a considerable distance.

2. The club is epicentre to three holiday sites namely, Florida club, Seadell site and Bermuda site. The holiday visitors and owners of the chalets and houses surrounding the Club House are mainly older people or young families with young children.

My main objection is to the extended hours proposed namely 0200 and midnight and to music outside the premises. Whilst many holiday makers will find the noise intrusive I consider that if the music and sale of alcohol ceased at 23.15 as per the previous arrangement, then this should be quite acceptable as a compromise for all.

Via the social media I have obtained some response from those who support the application, most of whom are local permanent residence. The reaction has been quite appalling, such as remarks:

"can't wait to leave here at 2am drunk and singing".

"like the old times when ***** pinched all those signs"

It seems to me that the late night hours of the application appeal more to the local permanent residence, without little consideration being given to the holiday makers in the adjoining chalets and houses.

I would be most grateful if the Committee would consider these comments when discussing the application.

Thank you,

Michael Ely

Good Afternoon,

I wish to appeal the application made for the extension to the Florida Club License Application on the following grounds.

I feel that having a license until 11:00pm Monday- Saturday is more than sufficient as if the hours are to be extended patrons will have a longer period to consume alcohol to only disturb their neighbours in the surrounding area with anti social behaviour.

With continued cut backs to our police force, I doubt this will be a priority call and will needlessly disrupt many family holidays.

The other issue is that the freeholders of these parks are not always a visual presence when an issue occurs, especially late at night.

At present, I am aware that the building works has ceased on the old Pontins site, however as I was led to believe this was also go to be a residential estate and I believe this noise will carry.

I do hope the points that I have raised are taken into consideration.

Yours Sincerely,

Emma Hart.

We are writing to strongly object to the application made by the Florida Club, Back Market Lane, Hensby, Great Yarmouth, NR29 4HW. We understand that an application has been made by the Florida Club for an extension of licensing activities until 02:00am for the sale of alcohol & refreshments and for live/recorded music (& films) both inside and outside the premises.

We own a property on the Bermuda Holiday Park which is immediately adjacent to the Florida Clubhouse. Our chalet is actually on the other side of the boundary fence, facing 2 of our bedrooms, and is very close to the location of the Florida Clubhouse. Bermuda, Florida and the neighbouring Seadell site all cater for holidays for families, some with young families and some elderly residents. A late license for such activities until 02:00am would obviously create much noise, nuisance and disturbance, especially from outside the premises, and would have a detrimental effect on site residents wishing to relax and sleep.

In the past, we have occasionally experienced noise & nuisance from loud music during existing opening hours,

especially when the doors and windows of the Florida clubhouse have been open in hot weather. Such activities until 02:00am would be inconsiderate, detrimental and completely unacceptable to those residents wishing to enjoy a relaxed and peaceful holiday.

We sincerely hope that you will take our comments into account and make the request that this application for a late extension license be refused on the grounds of noise, nuisance and antisocial hours.

Thank you.

Dear Sirs,

I own the Bermuda Holiday Park at Hemsby and I strongly object to the above Licensing Application. I only found out yesterday the details of the application and as our site backs onto the Florida I cannot understand why I was not notified.

Our site borders the Florida and every Summer that they have been open we have had a problem with the noise generated by them. We get lots of complaints from people staying on our site as they have all the windows open and also both fire doors which are immediately on the other side of our fence.

Hemsby is a family location with Bermuda, Seadell and Belle Air all catering for families with young children and grandparents to enjoy a lovely holiday which is both peaceful and relaxing.

In my opinion granting a 2.00 am licence with outside music and drinking will mainly attract local teenagers (who are probably underage) and teenagers on holiday from other sites. It would be hard to control properly and would encourage them to take their own drinks, resulting in excessive noise, people drinking heavily, smoking and rowdiness.

All the chalets on our site are privately owned for holiday lettings only. If there is loud music and they get a lot of complaints their guests will demand their money back and not return.

I hope my points will all be taken into account when the application is considered.

Thanking You

Regards

I feel that the licence should be granted as I feel this club will be of benefit to hemsby, as someone who doesn't live in hemsby but has quite often frequented the florida club when previous landlords were present. It has a huge potential to put hemsby back on the map with regards to entertainment should this licence be granted, and with so many clubs failing at the moment through one thing or another I feel the new proprietor should at least be given the chance to prove what a great little club it can be.

Good morning..

I am emailing in support for the granting of the license being applied for by Mr Scott Bensly regarding the opening hours/entertainment hours submitted for the Clubhouse on Florifay Holiday Park in Hemsby. The Florida Clubhouse is on a holiday park with no residential properties within close proximity of it and have no objection to granting the license that other cluhouses/drinking establishments already hold. By granting the license it will bring more revenue into Hemsby and give holiday makers staying onsite the benifit of enjoying nights out onsite without having to walk to other venues within Hemsby and past residential properties late at night..

Many thanks

Please accept this email as a showing of support to allow the Florida Club a license to run. I remember how great the club on site used to be years ago. After visiting recently and seeing no club on site I felt desperately sad. Please give this man and his family a chance to bring life back to this site in the form of a club house. Regarding the license for the Florida club in Hemsby please give the license as it is a holiday resort with very little entertainment for adults as well as good evening entertainment for families other than amusement arcades

What is wrong with people this is a seaside holiday resort that needs entertainment for all ages . Not just the beach which is sadly diminishing 😞 it will mean more people in the holiday seasons to bring in more revenue for businesses as well as the Florida club. Residents knew when they purchased their properties & holiday homes that it's a HOLIDAY RESORT where people go for holidays & fun ! All holidays parks /resorts have late licenses why should hemsby be any different. Give the license to him give it a try , those who are against you may like to pop along for some entertainment themselves lyou never know

Please reconsider I visit regular & there is not much evening entertainment like to see performers like singers or bands etc for dancing or good sing along. So been starting to visit other areas in Norfolk /suffolk border that offer evening entertainment but would love Hemsby to be offering this

The Florida Club has had a late licence for as far back as I can remember and has given many memories including my own memories, over many years.

Mr Bensley has spent a vast amount of money revamping this Club to give people, and locals alike, the facility for live music and entertainment.

Please consider approving his licence.

Dear Lisa Henry & Scott Bensly

APPLICATION FOR PREMISES LICENCE- The Florida Club

The Environmental Protection Team of Great Yarmouth Borough Council is a consultee for premises licence applications and considers issues surrounding the potential for public nuisances (including noise).

I am writing to advise that after reviewing the application submitted, the Environmental Protection Team has objected to your premises licence application due to concerns that the proposed hours requested for licensable activities has the potential for a noise nuisance to be created to local residents. However, I would like to try and seek an agreement to your licence conditions to remove the need for you to attend a subsequent licensing hearing.

Therefore, there are a number of additional conditions which I feel are necessary to be included on your operating schedule on the enclosed form. If you are happy for these conditions to be included on your premises licence, please can you arrange for this form to be signed, dated and the form returned to me by 3rd July 2023 at the latest. The form can be emailed to me with a digital signature if that is easier.

If you do not agree to these conditions to be included at this stage, I would be required to make a representation at the Licensing Committee.

Should you require any assistance in completing the form or require any further information, please do not hesitate to contact me.

Yours Sincerely,

Alick Miles- Senior Environmental Protection Officer
