**Subject:** Corporate Risk Register

Report to: Management Team – 13 May 2021

Audit and Risk Committee - 14 June 2021

Report by: Kaye Bate, Corporate Risk Officer

#### **SUBJECT MATTER**

This report asks the Audit and Risk Committee to review the Corporate Risk Register to determine whether the register correctly reflect the risks affecting the Authority and to approve the revised layout of the Corporate Risk Register.

#### **RECOMMENDATION**

- 1. That Committee review the Corporate Risk Register.
- 2. That Committee approve the revised layout of the Corporate Risk Register.

### 1. INTRODUCTION / BACKGROUND

- 1.1 The Audit and Risk Committee is responsible for monitoring the arrangements in place for the identification, monitoring and management of strategic and operational risk.
- 1.2 The Audit and Risk Committee last reviewed the register in February 2021.
- 1.3 This report informs the Audit and Risk Committee of the current corporate risk position.

#### 2. Corporate Risk Register

- 2.1 The Corporate Risk Register was last reviewed by Management Team in May 2021.
- 2.2 The risk matrix below shows how the risks identified in the Corporate Risk Register are distributed. There are currently 25 risks included on the Corporate Risk Register. The risks considered to be outside the Councils risk appetite have action plans in place to mitigate or reduce the risk. The risks that fall within the risk appetite or acceptable have action plans in place to reduce the risk further.
- 2.3 Since presenting the Corporate Risk Register to the Audit and Risk Committee in February 2021 there has been:

2 new risk added to the register:

- 24. Gaps in Insurance cover insurers reducing cover in place with the result that Council assets may not be adequately covered and increasing reliance on self-insurance and re-allocation of reserves to mitigate the risk.
- 25. Impact termination of a contract (confidential risk)

Likelihood

The risk rating for four risks have reduced due to the implementation of the action plan and further control measures in place:

- 1. Financial Stability
- 2. Reduced spending in Great Yarmouth
- 10b. Impact of EU exit trade deal
- 23. COVID 19 Impact of response and recovery actions on the residents and businesses of the borough

The risk ratings for five risks have increased due to the additional risks in these areas:

- 9. Event Management for large scale events held in the Borough
- 11. Management of Major Projects
- 12a. Reliance on key individuals and capacity of teams
- 12b. Resilience and capacity of staff
- 18a. Sufficient resources and resilience to ensure effective procurement Borough
